SUBJECT: 05EIR-00000-00001, Case No. 03CUP-00000-00037/03RPP-00000-00002

Environmental Health Services has reviewed the subject environmental document and offers the following comments:

Page 2-10 Section 2.3.3 States that bottled water will be supplied to employees and visitors. Unless specifically waived by the building official the project will require a water system and a septic system.

If you should have any questions regarding these comments, or require any clarification, please contact me at 346-8461. Thank you for the opportunity to comment.
